

Dermatology Associates of the Bay Area is pleased to offer a unique Dysport special

Dysport, like Botox, is a well-known injectable that can relax wrinkles on the forehead, frown lines and crows-feet near the eyes. To learn more about Dysport and its potential benefits and side effects please visit their web site at <http://www.dysportusa.com>

Through December 2011, Caroline Carr, PA-C will be available in our Petaluma office to administer Dysport at a greatly reduced rate.

\$275 per area (30% savings)

All services must be completed by December 31, 2011

**Please call 707-762-5531
to schedule an appointment with Caroline Carr, PA-C.**

Offered by

Ariel du Cellie,
Licensed Medical Aesthetician
Registered Nurse

We are honored to introduce Ariel du Cellie as part of our team in both our Petaluma and Hercules Dermatology Centers. As a Medical Aesthetician and a Registered Nurse, Ariel will work closely with our Dermatologists and Physician Assistant to deliver medical and cosmetic aesthetic treatments. After growing up in Sonoma County, Ariel traveled to Southern California to further her interest in dermatology. While attending Paul Mitchell Skin Academy, she developed a love for clinical facial aesthetics. She returned to Northern California to obtain her degree in Nursing and deepen her understanding of the medical management of skin. She brings with her a passion for Dermatology and a broad understanding of both medical and cosmetic skin care. Ariel's philosophy is to synchronize dermatologic care through a variety of medical and cosmetic procedures. Committed to deliver proficient and detail oriented skin treatments, she will customize every patient's skin care regimen. Ariel is dedicated to helping you achieve optimal results with minimal downtime in order for you to look and feel your best.
